

Firefighter badges

You may wish to put the children in different groups for games and activities.

Firefighters work in “watches”. There are four different coloured watches:

Red

Blue

White

Green.

There are six designs of names badges for each watch, and a set without a watch.

Print out the ones you would like to use, add the child’s name under “firefighter”.

To attach the badge, you could :

- ✓ Print on sticky labels
- ✓ Print on paper, cut out and laminate, add a safety pin with tape
- ✓ Print on card, cut out then add a safety pin with tape
- ✓ Print out on card or paper, fold tape over itself on the back to make a “sticky” side to stick on the child.
