### Fleet List

#### Query:

I would like to ask you under the Freedom of information to please send me a fleet list covering the following information. I would like to have a list of all Fire Engines, BA support, boats and so on, plus on vans and cars used. I would like all fire engine reg nos and fleet nos if you use a fleet no. I also would like to know the name of the fire engine as in water tender ladder and if you can where was it from. when you put it down if you can please send all fire engines first so it reads Station no Fleet no Application type reg no Location  
1 Dee Road A1 water tender A123ABC Reading

I am asking this as I record old cars, fire engines, buses and lorries and if I see one of your old ones I can put down "Water Tender from Reading, fleet no A1.

#### Response:

**Registration numbers of vehicles that are allocated to individual officers have been redacted. We are applying the exemption afforded by section 40(2) Personal information of the Freedom of Information Act 2000, which provides that a request for information is exempt from disclosure if the information requested constitutes personal data about a third party. In particular we choose to rely upon section 40(3)(a)(i), which provides an absolute exemption if disclosure of the personal data would contravene any of the data protection principles as defined in the Data Protection Act 2018. We are of the opinion that to disclose the requested information could identify an officer who is off duty, which would be unfair and contrary to the first data protection principle.**
