

Freedom of Information Request FOI 20 61

Number staff who have criminal convictions/January 2016 to December 2019

Query & Response:

Please supply information regarding the following:

1) The number of current Dorset and Wiltshire Fire and Rescue employees who have criminal convictions.

We do not recruit staff to the Service who have unspent criminal convictions, therefore anyone in our employment with a conviction would be anyone covered in point 2.

2) The number of Dorset and Wiltshire Fire and Rescue Service employees who received a criminal conviction during the period January 2016 to December 2019 yet remained in employment.
