

## Freedom of Information Request FOI 22 06

### Call-off contracts

#### Query:

I have identified some potential call-off contracts awarded by Dorset & Wiltshire Fire Authority, but I can't find details of the framework agreements they were awarded from.

I have attached an Excel file that contains the information I am looking at. The last two columns ("Title of Framework used" and "contracts finder or ted link of framework agreement") is where I am missing information - please could you fill these in.

Please note that I have identified these contracts as possible call-off contracts, so some of them might not be. Some could be, for instance, procured directly (without being called off from a framework agreement), or could be themselves notices of the establishment of a framework agreement. Therefore I would kindly ask you to specify in these incidences what kind of procurement was used in the "Title of Framework used" column.

I have provided the title, description, details of the email contact from the notice, the value of the contract and procedure type used to award each potential call-off as well as a URL link to the call-off in question and unique reference ID for each potential call-off. Please let me know if there is anything else you need to complete the request.

#### Response:
