

Freedom of Information Request FOI 22 12

Fire Services and University Student Callouts

Query and response:

I am writing to make a request under the Freedom of Information Act 2000 for information relating to the number of times emergency fire and rescue services have been called by students after the beginning of the pandemic.

Please feel free to forward the email on if another individual is better placed to answer this inquiry. Specifically, I would like to know the following:

1. Emergency calls made by students:

- A. The number of times fire/rescue services in your region were called by a university student since the beginning of September 2020.
- B. The number of times fire/rescue services in your region were called by a university student between the beginning of September 2019 and the end of February 2020.

We do not hold this information and submit a nil return.

2. Where emergency fire and rescue services attended scenes:

- A. The number of times fire/rescue services in your region attended a university student's accommodation (including private property, such as student houses) since the beginning of September 2020.
20
- A. The number of times fire/rescue services in your region attended a university student's accommodation (including private property, such as student houses) between September 2019 and the end of February 2020.
10
- A. The number of injuries (broken down into categories where the patient was attended to at a scene, where the patient was sent to hospital, and deaths) from such incidents since the beginning of September.
0
- A. The number of injuries (broken down into categories where the patient was attended to at a scene, where the patient was sent to hospital, and deaths) from such incidents between the beginning of September 2019 and the end of February 2020.
0

3. Number of times emergency calls made by the general public, and times where fire and rescue services attended scenes:

- A. The number of times fire/rescue services in your region were called by the general population since the beginning of September 2020.

41,601

- A. The number of times fire/rescue services in your region were called by the general population between the beginning of September 2019 and the end of February 2020.

13,506

- A. The number of times fire/rescue services in your region attended a scene since the beginning of September 2020.

19,331

- A. The number of times fire/rescue services in your region attended a scene between the beginning of September 2019 and the end of February 2020.

6,997

- A. The number of injuries (broken down into categories where the patient was attended to at a scene, where the patient was sent to hospital, and deaths) from such incidents since the beginning of September.

See Sheet 1 of attached FOI 22 12 - Detail

- A. The number of injuries (broken down into categories where the patient was attended to at a scene, where the patient was sent to hospital, and deaths) from such incidents between the beginning of September 2019 and the end of February 2020.
