Firefighters' Pension Scheme 1992

Query:

I would like to enquire how many pensions have been granted and paid out under Rule B7(5A) of the FPS 1992, between the dates of 1st July 2013 and 1st July 2022.

This is in relation to being given access to full pension and a commutation (lump sum) of 25%, after completing 25 years service and being 50 years of age.

Response:

We hold no recorded instances where a pension has been paid out to a member of our staff under this ruling.
