Vehicle fires

Query:

Please can I request the following information...

How many petrol and diesel vehicle fires did the force attend between April 2019 and to March 2022, broken down by financial year.

How many electric vehicle fires did the force attend between April 2019 and to March 2022, broken down by financial year.

From April 2022 to June 2022, how many electric vehicle fires did the force attend?

Response:

Financial year	Road vehicle fires	Electric road vehicle fires
2019/2020	462	2
2020/2021	452	1
2021/2022	385	0
Apr- June 2022	81	0

Please note that road vehicle fires includes all vehicle fires as we don't record the type of fuel.

Electric Road Vehicles have been found by using a search on the incident narrative. These are recorded in both numbers.
