Station Numbers

Query:

Since the merger of Dorset and Wiltshire into one service have the stations been renumbered? Through an enthusiasts society years ago I got a list of Dorset which numbered stations 01 to 26 and Wiltshire with stations numbered 1.1 to 4.6 Has only one county been renumbered and if so to what, or has the whole combined service been renumbered and if so to what please?

Response:

Since the combination of Dorset Fire and Rescue Service and Wiltshire Fire and Rescue service to form Dorset and Wiltshire fire and rescue service some of the Wiltshire stations have been renumbered.

Please see the list below showing the old station numbers and the new ones, the stations whose numbers have changed can be found highlighted in yellow.
