

Freedom of Information Request FOI 23 25

Fires caused by electric blankets and plug in electric heaters

Query:

- For electric blankets and heaters, how many calls there were in each year: 2017, 2018, 2019, 2020, and 2021.
- For 2022 and 2023, a month-by-month breakdown of the number of calls.
- In both cases, in each year, the ages of the callers.
- To provide a case summary of the last five callouts; five for blankets and five for heaters.

Response:

Please see the attached spreadsheet for the statistics you requested. We do not hold the details of callers.

Information/Detail accurate on the date provided: 01, March 2023
