Fires caused by e-cigarettes and vapes

Query:

To provide figures relating to fires caused by disposable e-cigarettes and vapes, (this may not be a category you record. It would be great if you could perform a free text search on "vape" and "e-cigarette" together with any other terms you think relevant.) Please could you provide the information, split by the years 2020, 2021 and 2022.

Response:

Please see the table below for figures relating to e-cigarettes and vapes. These figures have been collated using a free text search of the narrative log and relate to the number of incidents we attended.

Fires Caused by	Vape	e-cigarette
2020	0	0
2021	1	0
2022	3	0

Two of the three fires from 2022 were when the Vape was on charge.
