

## Freedom of Information Request FOI 23 77

### Electric Vehicle Fires

#### Query and Response:

Please could you tell me how many electric vehicle fires your fire and rescue service has dealt with in each of the past three financial years.

**We don't distinguish between electric and combustion engines within the Incident Recording System. We searched the incident narrative for electric cars, but there were no matching results going back the 3 years.**

Information/Detail accurate on the date provided: 27, June 2023
