Lithium Battery Fires

Query and Response:

How many lithium battery fires involving e-bikes and e-scooters have been attended in your fire service area in the last five years for which data is available? If possible, please provide data broken down by year. I don't mind if the data is broken down by calendar year, financial year, or other 12-month reporting period.

Please see the table below showing how many fires we have attended in the last five years involving e-bikes and e-scooters (data accurate as of 26/06/23).

Fires	2018	2019	2020	2021	2022	2023	Total
Electric Bikes	0	3	1	1	3	2	10
Electric Scooters	0	0	0	1	1	1	3

Information/Detail accurate on the date provided: 28, June 2023
