

Freedom of Information Request FOI 23 80

Animal/pet rescue in last 5 years

Query and response:

Under the Freedom of Information Act 2000 please can I request information about:

- How many animals/pets Dorset & Wiltshire fire service has rescued in the last five years
- Please can you include a breakdown of the figures for each year of the last five years, starting from Jan 2018 to date.

Can you detail (where possible):

- What the animal was

We do not record exactly what type of animal was involved. We do record the following category of animal: Livestock, Domestic or Wild (Please see column C of the spreadsheet attached)

What date the animal was stuck

Please see column A of the spreadsheet

Where it was stuck

We do not record where the animal was stuck. We do record if the animal had been rescued from height, below ground etc (Please see column C of the spreadsheet attached)

How long it was stuck for

We do not record the length of time the animal was stuck for or how long it took us to rescue. However, we have included a time in the data (column D) which is the time from the time of call to the time we finished the call.

- How long it took for you to save the animal

Please see answer above. Column D of spreadsheet attached.

How many crew members were involved

Please see column E of the spreadsheet attached.
